

KLOVE supports wholesome family values and has a positive and encouraging impact on my community in Lincoln, Nebraska.

The effect of KLOVE to be displaced by an LPFM broadcaster would simply be tragic to all of it's faithful listeners in Lincoln, Nebraska. Hundreds of thousands of people listen to KLOVE across this great nation on FM translators and if this were to change we would all be without KLOVE signal. KLOVE provides both national and regional value in it's service on the FM radio.

KLOVE is a station that is cherished by so many in our great nation and it ministers to me and all of my family and friends daily. Please consider the tragic effect that this could have on so many people! Thank you very much.
